

## Datalex selected as strategic technology partner to Swiss International Air Lines

**Dublin, 19 February 2015: Datalex plc (ISE: DLE)** today announces it is to deliver industry leading product and pricing innovation to strategic technology partner Swiss International Air Lines.

Patrick Graf, Senior Director, Head of Revenue Management Business Solutions at Swiss International Air Lines, said:

“We confirm the selection of Datalex as a technology partner. Our pricing and revenue management teams will work with Datalex to enhance product optimisation and pricing capabilities which deliver more dynamic and tailored offers to our customers across all distribution channels.”

Dominic Clarke, SVP Global Sales, Datalex added:

“Swiss International Air Lines are widely recognised for their thought leadership and innovation. Datalex is delighted to be chosen as a strategic technology partner and we look forward to delivering a new generation of dynamic pricing capabilities which will contribute to the ideal retail experience for the Swiss International Air Lines customer.”
