NOTIFICATION BY AUDITOR

Dublin, Ireland – 4 September 2019: Datalex plc (“the Company”) (Euronext Dublin: DLE), notes that Ernst & Young, the Company’s auditor, has notified the Registrar of Companies under section 392 of the Companies Act 2014 (the “Act”) that it has formed the opinion that the Company has failed to comply with the requirements of sections 281 and 282 of the Act to keep adequate accounting records in 2018.

The Company takes its legal and corporate governance responsibilities very seriously and seeks to comply at all times with all relevant laws and regulations. The Company has expended significant effort over the course of 2019 in the taking of corrective actions to address the shortcomings identified by the independent review of accounting issues (conducted by PwC in conjunction with the Company’s legal advisers) that was the subject of the Company’s announcement on 27 March 2019. The Board is satisfied that, while it continues to assess the Group’s material risks and effectiveness of its internal controls, it has taken all appropriate immediate action. Further detail will be included in the Company’s financial statements for 2018 which the Company expects to publish very soon.
