### Statement regarding COVID-19

**Dublin, Ireland – 12 March 2020: Datalex plc (the “Company” or the “Group”) (Euronext Dublin: DLE)** provides an update on the potential impact of the COVID-19 outbreak.

Datalex has a number of significant airline customers impacted by the restrictions imposed to limit travel in an attempt to control the spread of COVID-19. This is an unprecedented time for our industry. Accordingly, whilst we are actively working to minimise any negative impact to the business, we expect the COVID-19 outbreak to have an adverse impact on the Group’s financial performance.

We are monitoring developments closely and will provide further updates as appropriate.

Meanwhile, we commend our teams for their commitment to supporting our customers during these difficult conditions as we collectively seek to operate on a business as usual basis so far as is possible.
